## ABOUT US

Katahdin provides custom media to museums, philanthropies and nonprofits. We help clients tell visual stories, communicate their missions, document their endeavors and educate the public.

Katahdin projects inform, inspire and engage.

## TEAM

Katahdin's creative team includes directors, producers, cinematographers, writers, educators and graphic designers whose works have won many festival awards and an Emmy Award, have aired nationally on PBS, and screened in prominent film festivals and museums around the world. Founder and president Lisa Thomas is the former CEO and co-founder of Clif Bar, Inc., as well as an award-winning film and music producer.

## SERVICES

Katahdin is a full-service video production company that tackles projects from concept to completion. Our services include project development, scripting, producing, directing, videography, editing, graphic design, post-production, web-video and exhibition.

## PROJECTS

- Museum installations
- Donor development and special event videos
- Promotional and educational videos
- Short documentaries
- Interviews and oral histories
- Historical short films with archival footage and photographs
- Biographical portraits and tributes
